**3. Computation of fair market value of assets of Bangladeshi Company.- (1)**

Where the asset is a share of a Bangladeshi company listed on a recognized stock exchange on the specified date, the fair market value of the share shall be the observable price of such share on the stock exchange.

- (2) Where the asset is a share of a Bangladeshi company listed on a recognized stock exchange and the share is held as part of the shareholding which confers, directly or indirectly, any right of management or control in relation to the aforesaid company, the fair market value of the share shall be determined in accordance with the following (A+B)/C formula, where-

A= the market capitalization of the company on the basis of observable price of its shares quoted on the recognized stock exchange;

B= the book value of liabilities of the company as on the specified date;

C= the total number of outstanding shares.

- (3) Where the asset is share of a Bangladeshi company not listed on a recognized stock exchange on the specified date, the fair market value of the share shall be its fair market value on such date as determined by a merchant banker or an accountant in accordance with any internationally accepted valuation methodology for valuation of shares on arm's length basis as increased by the liability, if any, considered in such determination.
- (4) The fair market value of the asset other than those referred to in sub-rules (1), (2) and (3) shall be the price it would fetch if sold in the open market on the specified date as determined by a merchant banker or an accountant as increased as increased by the liability, if any, considered in such determination.
- (5) For determining the fair market value of any asset situated in Bangladesh, being a share of a Bangladeshi company, all the assets and business operations of the said shall be taken into account irrespective of whether the assets or business operations are situated in Bangladesh or outside.

**4. Computation of fair market value of assets of foreign Company.-** (1) Where share of the foreign company is listed on a stock exchange on the specified date, the fair market value of all the assets owned by the foreign company shall be determined in accordance with the following A+B formula, where:

A= Market capitalization of the foreign company computed on the basis of the observable price of the share on the stock exchange where the share of the foreign company is listed;

B= book value of the liabilities of the company as on the specified date.

- (2) Where the share in the foreign company is not listed on a stock exchange on the specified date, the value of all the assets owned by the foreign company shall be determined in accordance with the following A+B formula, where:

A= fair market value of the foreign company as on the specified date as determined by a merchant banker or an accountant as per the internationally accepted valuation methodology;

B= value of liabilities of the company if any, considered for the determination of fair market value in A.

- 5. Determination of Income attributable to assets in Bangladesh.**-(1) The income from transfer outside Bangladesh of a share of a company referred to in clause (c) of explanation of subsection 2 of section 18 of the Ordinance, attributable to assets situated in Bangladesh, shall be determined in accordance with the following  $D \times (E/F)$  formula, where:

D= Income from the transfer of the share of the company computed in accordance with the provisions of the Ordinance, as if, such share is situated in Bangladesh;

E= Fair Market Value of assets situated in Bangladesh as on the specified date, from which the share referred to in clause (c) of explanation of subsection (2) of section 18 of the Ordinance, derives its value, computed in accordance with rule 3;

F= Fair Market Value of all the assets of the company as on the specified date, computed in accordance with rule 4.

- (2) Where the transferor of the share of the company fails to provide the information required for the application of the aforesaid formula then the income from the transfer of such share or interest attributable to the assets situated in Bangladesh shall be determined in such manner as the Deputy Commissioner of Taxes may deem fit.

(3) The transferor of the share of a company that derives its value from assets situated in Bangladesh, shall furnish along with the return of income a report in the form No. OIT-1 duly signed and verified by an accountant providing the basis of the apportionment in accordance with the formula and certifying that the income attributable to assets situated in Bangladesh has been correctly computed.

**6. De minimis threshold.-** The asset being the share referred in clause (c) of explanation of subsection (2) of section 18 of the Ordinance shall be deemed to derive, directly or indirectly, its value from the assets in Bangladesh, if, on the specified date, the value of such asset-

- (i) exceeds Taka fifteen crore; and
- (ii) represents at least fifty percent of the value of all the assets owned by the foreign company that directly holds the asset being share in Bangladesh.

**7. Exemption from offshore indirect transfer.-** (1) No income shall be deemed to accrue or arise to a non-resident from transfer, outside Bangladesh, of share of -

- (a) A, if the transferor (whether individually or along with its associated enterprises), at any time preceding the specified date, does not hold in A-
  - (i) right of management or control; or
  - (ii) the voting power exceeding 5% of the total voting power; or
  - (iii) share capital exceeding 5% of the total share capital; or
- (b) B, if the transferor (whether individually or along with its associated enterprises), at any time preceding the specified date, does not holds the right of management or control in B and through B in A-
  - (i) the right of management or control; or
  - (ii) the voting power exceeding 5% of the total voting power; or
